ALLERGEN MATRIX

● MAY CONTAIN ALLERGEN ● CONTAINS ALLERGEN

There are 14 legally specified food allergens, and this table states which products contain or may contain them as follows: The allergen information provided is based on our suppliers' ingredient lists, and we do not assume liability for the accuracy of these. Archie's kitchens have strict controls in place to reduce the risk of cross-contamination; however, we cannot guarantee that any product is entirely free from any allergen.
